

**“Sustainable Quality Culture in East African Institutions through
Centralised Units”**

Workshop IV:

Strategic Planning for QA in East African HEIs

Suggested Outcomes and Recommendations

- **Sustainable creation and/or consolidation of the Quality Assurance Units within partners institutions**
- **Strengthening the cooperation between East African accreditation agencies and the Afriq'Units consortium.**
- **Sharing experience and interchanging of peers and experts among East African region.**
- **Creating new experts in the field of unit and program evaluation through the Afriq'Units assessment process.**
- **Creating benchmarking activities to share lessons learned from the assessment.**
- **Distribution of tasks for the drafting of the Afriq'Units guide, and foster equitable participation.**
- **Look for further opportunities of project collaboration in the field of QA or related issues.**
